

# Save Your Energy! (and money!) Workshop for Everyone

**Saturday February 13, 2010**  
**10:00 am- 12:00 pm**  
**@**  
**Chattanooga Nature Center**  
**ONLY \$10**

**Do you know  
where your  
electricity  
comes from?**

The *Kilowatt Ours* documentary traces the wires from your light switch to the energy source.

*Kilowatt Ours* is...  
**“recommended for use in the classroom”**  
by the Wisconsin K-12 Energy Education Program.

**“An appealingly quirky and moving film!”**  
– School Library Journal

Energy and the economy are two hot issues these days. Jennifer Barrie, Kilowatt Ours Youth Initiative Director, will be sharing the award-winning film *Kilowatt Ours* and the award-winning Youth Initiative resources which illustrate how individual actions add up to make a profound impact. Come view the film, participate in discussion and activities, and receive the *Kilowatt Ours* DVD and energy-saving resources! Learn how to save energy and money, and how to engage your family and friends to take action!

Leaders: Jennifer Barrie & Nature Center Staff

Call Kyle Waggener at Chattanooga Nature Center to register: 423.821.1160 ext. 112

### **Directions From I-24:**

Towards Lookout Mountain (usually they are traveling WEST), Take exit 175 (Brown's Ferry Rd) and turn left off the exit. Go straight on Brown's Ferry until you come to a red light – this is the intersection for Cummings Hwy (41) Turn left Travel approx. 1 mile where you will see a sign on your right for CNC and Reflection Riding Arboretum and Botanical Gardens Take the first right onto Old Wauhatchie Take the next right onto Garden Rd – follow to end and our parking lot.

Materials for the workshops are funded by EPA Region 4.

The Kilowatt Ours Youth Initiative is the proud recipient of the 2008 Governor's Environmental Stewardship Award!
